It is the policy of the Trustees of the University City Public Library to elicit input from patrons and citizens of the Library District. For the meetings streaming on Facebook live, we ask that comments and questions be emailed or posted before the scheduled meeting so that, if necessary, they may be addressed by the board at the beginning of each Board Meeting. Specific comments from patrons and visitors may be entertained under the appropriate agenda item, preceding the vote. If a citizen requests that an item be placed on the agenda for discussion, a signed request in writing should be made to the Director's attention. The item will be placed on the agenda for action, information, or discussion at the next regular mailing of Board packets. This policy does not pertain to employee grievances which are addressed by other policy. The news media may obtain copies of this notice by contacting Patrick Wall, University City Public Library, 6701 Delmar Blvd., University City, MO, 63130 314-727-3150 (or during April and May 2020, 314-827-5669).
